Angelina County Appraisal District Reminds Businesses of April 15 Deadline for Filing Property Tax Renditions

Chief Appraiser reminds businesses to render their property with the Angelina County Appraisal District by April 15. To render is to list the taxable inventory, furniture and fixtures, machinery and equipment and other property a business owned or managed as of Jan. 1. The appraisal district may use the information to set property values.

Rendering allows property owners to record their opinion of their property's value and ensures that the appraisal district sends them a notice before changing a value on their property. Owners do not have to render exempt property, such as church property or a farmer's equipment used for farming.

The chief appraiser will impose a penalty of 10 percent of the total amount of the taxes on a person who fails to timely file a rendition statement.

If more than one appraisal district appraises a property, the property owner should render in each appraisal district office.

Property owners who need more time to file their renditions may file a written request with the chief appraiser on or before April 15 to receive an automatic extension to May 15 or the next business day if a weekend. The chief appraiser may also grant an additional 15 days after the postponed deadline if necessary.

The appraisal district also reminds owners whose property was damaged by a storm, flood or fire last year that they may file a special decreased value report that could lower their final tax bills. Property owners have until April 15 to file the decreased value report, which indicates their property's condition on January 1st of the current year.

Rendition forms and decreased value report forms are available from Angelina County Appraisal District or the Texas Comptroller's office. The rendition forms require the property owner's name and address, general description of property by type or category and the property's location. For property with an aggregate total of more than \$20,000, the property owner also must provide a general estimate of the quantity of inventory and the owner's good faith estimate of the property's market value. The owner may provide the historical cost when new and the year the property was acquired rather than the good faith estimate.

For more information about rendering property, deadline extensions, penalties and rendition forms, taxpayers may contact the Angelina County Appraisal District at (936) 634-8456. More information is also available from the Comptroller's Property Tax Assistance Division at (800) 252-9121, ext. 2, or by visiting the Comptroller's website at www.window.state.tx.us/taxinfo/proptax/.
